2. In exchange for the PLN awarded, Participants will be able to make purchases in the online store sklep.pl and in the Organizer's stationary stores using discounts, the amount of which will depend on the amount of PLN used by the Participant.
3. PLN will be awarded for specific activities undertaken by Participants in the comfort.pl online store, Komfort Club or the Organizer's stationary stores, e.g. making purchases, registering in the Komfort Club or agreeing to certain marketing consents.
 - a. PLN is awarded to the Participant when paying for a given product purchase.
 - b. PLN is not awarded for the purchase of services, i.e. measurement, assembly or transport.
 - c. The zlotys are valid for 365 days from the moment they are granted to the Komfort Club Participant.
 - d. The minimum transaction value for which PLN will be awarded is PLN 500.00.
 - e. The discount obtained using Zloty can only be used for non-discounted products from the Organizer's offer, in the online store sklep.pl or in stationary stores. The discount cannot be used to pay for services such as installation, measurement, etc.
 - f. The discount obtained using Zloty can only be used up to 50% of the value of a given order. This means that the Participant can use a maximum of 50% of the order in one transaction, and the remaining PLN remains on the Komfort Club Participant's Account.
 - g. The value of the discount resulting from PLN is initially calculated at 23% VAT. If the customer purchases products together with a service where 8% VAT is applied, the discount obtained using PLN is reduced proportionally.

- j. In the case of returning goods for which the Customer paid in Polish Zloty, only the price is refunded less the sum of discounts obtained through the use of Polish Zloty, which are canceled and not granted again.
